

B.B. King and Sesame Street (Ages 1-5)

In 2000, B.B. King appeared on Sesame Street. B.B. claimed he was king of B-words, hence his name. During one of his songs, he sang about how if “there were no letter B,” “there would be no beards” (which the Anything Muppets rip off of each other) and “there would be no Bert, Baby Bear, Big Bird, Benny” or himself. **Collage the letter B with some your favorite things (construction paper, magazines, beads, buttons, etc.)**
