NAME: ____________________________

Johnny Appleseed Song
(sung to Do you Know the Muffin Man)

Do you know the apple man,
the apple man, the apple man?
Do you know the apple man?
He planted apple seeds.

He wore a pot upon his head,
upon his head, upon his head.
He wore a pot upon his head.
His name was Johnny Appleseed.

John Chapman was his real name,
his real name, his real name.
John Chapman was his real name;
But, we call him Johnny Appleseed.
