

Cowboy Color by Number (Ages 6-11)

When B.B. King was growing up, it was a special occasion to have your picture taken. Traveling photographers would bring costumes and props so you could dress up like something you wanted to be... it was the SNAPCHAT filter of their time. B.B. dressed up as a cowboy and had his picture taken.

Color the cowboy by number.

Two cartoon cowboys are shown side-by-side. The cowboy on the left is smiling and has his hands in his pockets. The cowboy on the right is frowning and has his hands on his hips. Both are wearing cowboy hats, shirts, pants, and boots. Each part of their clothing and hats is labeled with a number from 1 to 7. To the right of the cowboys is a "Color Code" legend. Below the cowboys is a writing line with a dashed middle line and a solid bottom line. The text "Write a sentence about the picture." is written on the left side of the line, and "© 2018 Kids" is on the right side.
